

Welcome to send invoices to Nobina

1. Electronic invoice

Nobina primarily wants to receive electronic invoices through PEPPOL or our VAN-operator with Svefaktura.

2. PDF invoice

If you can't send electronic invoices the option is to send the invoices in PDF format by mail. Please send one separate PDF for each invoice and include any attachments in the same file as the invoice.

Invoices to our Swedish entities: nobina.se.mailinvoice@postenscanning.se

International invoices to our Swedish entities: nobina.ut.mailinvoice@postenscanning.se

Invoices to our Danish entities: nobina.dk.mailinvoice@postenscanning.se

Invoices to our Finnish entities: nobina.fi.mailinvoice@postenscanning.se

Invoices to our Norwegian entities: nobina.no.mailinvoice@postenscanning.se

Reference

We require that a reference (8 digits) is stated on the invoice. It is important that this information is entered in the specific reference field.

Our buyer/contact will provide this information when ordering.

Order number

When Nobina sends purchase orders we require that an order number (9 digits) is stated on the invoice. It is important that this information is entered in the specific field for order number.

Our buyer/contact will provide this information when ordering.

The invoice will be stopped and returned if it is sent with an inaccurate reference/order number or if it is sent without a reference/order number.

Reminders, debt collection and other documents.

Any reminders regarding unpaid invoices are to be sent by email to:
